## What is Lent?

Lent is a season of forty days, not counting Sundays, which begins on Ash Wednesday and ends on Holy Saturday. Lent comes from the Anglo Saxon word *lencten*, which means "spring." The forty days represents the time Jesus spent in the wilderness, enduring the temptation of Satan and preparing to begin his ministry.

Lent is a time of repentance, fasting and preparation for the coming of Easter. It is a time of self-examination and reflection. In the early church, Lent was a time to prepare new converts for baptism. Today, Christians focus on their relationship with God, often choosing to give up something or to volunteer and give of themselves for others.
