

Thank you for coming! We are so glad you decided to be a part of this service. After the closing meditation, please feel free to stay and reflect on what Jesus did for us by dying on the cross. As the music is plays, you are welcome to leave the sanctuary whenever you feel ready, but please do so quietly, out of respect for others. When you walk past the table of candles, please blow one out to represent the night that the Light of the world was crucified, dead, and buried. However, the Light does not stay extinguished. Even though we leave somber in remembering what our savior did for each and every one of us, the story does not end there! We invite you back on Sunday morning to hear the Easter story at 10 AM and to a pancake breakfast starting at 8:45 AM!
